Confidential Information of Customer includes Customer Data; Confidential Information of Cerbos includes the Services, and the terms and conditions of this Agreement and all Order Forms (including pricing). Confidential Information of each party includes business and marketing plans, technology and technical information, product plans and designs, and business processes disclosed by such party. However, Confidential Information does not include any information that (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (iii) is received from a third party without knowledge of any breach of any obligation owed to the Disclosing Party, or (iv) was independently developed by the Receiving Party. For the avoidance of doubt, the non-disclosure obligations set forth in this "Confidentiality" section apply to Confidential Information exchanged between the parties in connection with the evaluation of

additional Cerbos services.

- 8.2 Protection of Confidential Information.** As between the parties, each party retains all ownership rights in and to its Confidential Information. The Receiving Party will use the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind (but not less than reasonable care) to (i) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement and (ii) except as otherwise authorized by the Disclosing Party in writing, limit access to Confidential Information of the Disclosing Party to those of its and its Affiliates' employees and contractors who need that access for purposes consistent with this Agreement and who have signed confidentiality agreements with the Receiving Party containing protections not materially less protective of the Confidential Information than those herein. Neither party will disclose the terms of this Agreement or any Order Form to any third party other than its Affiliates, legal counsels and accountants without the other party's prior written consent, provided that a party that makes any such disclosure to its Affiliates, legal counsels or accountants will remain responsible for such Affiliates', legal counsels' or accountants' compliance with this "Confidentiality" section. Notwithstanding the foregoing, Cerbos may disclose the terms of this Agreement and any applicable Order Form to a contractor or Non-Cerbo Application Provider to the extent necessary to perform Cerbos's obligations under this Agreement, under terms of confidentiality materially as protective as set forth herein.
- 8.3 Compelled Disclosure.** The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent compelled by law to do so, provided the Receiving Party gives the Disclosing Party prior notice of the compelled disclosure (to the extent legally permitted) and reasonable assistance, at the Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure. If the Receiving Party is compelled by law to disclose the Disclosing Party's Confidential Information as part of a civil proceeding to which the Disclosing Party is a party, and the Disclosing Party is not contesting the disclosure, the Disclosing Party will reimburse the Receiving Party for its reasonable cost of compiling and providing secure access to that Confidential Information.

9. REPRESENTATIONS, WARRANTIES, EXCLUSIVE REMEDIES AND DISCLAIMERS

- 9.1 Representations.** Each party represents that it has validly entered into this Agreement and has the legal power to do so.
- 9.2 Cerbos Warranties.** Cerbos warrants that during an applicable subscription term (a) this Agreement, the Order Forms and the Documentation will accurately describe the applicable administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer Data, (b) Cerbos will not materially decrease the overall security of the Subscription Services, (c) the Subscription Services and Proprietary Software will perform materially in accordance with the applicable Documentation. For any breach of a warranty above, Customer's exclusive remedies are those described in the "Termination" and "Refund or Payment upon Termination" sections below.
- 9.3 Disclaimers.** EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER PARTY MAKES ANY WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, AND EACH PARTY SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW. SERVICES PROVIDED IN TRIAL USAGE, AND EARLY-TEST SERVICES AND OPEN SOURCE SOFTWARE ARE PROVIDED "AS IS," AND AS AVAILABLE EXCLUSIVE OF ANY WARRANTY WHATSOEVER.

10. MUTUAL INDEMNIFICATION

- 10.1 Indemnification by Cerbos.** Cerbos will defend Customer against any claim, demand, suit or proceeding made or brought against Customer by a non-affiliated third party alleging that any purchased Subscription Service or Proprietary Software infringes or misappropriates such third party's intellectual property rights (a "**Claim Against Customer**"), and will indemnify Customer from any damages, attorney fees and costs finally awarded against Customer as a result of, or for amounts paid by Customer under a settlement approved by Cerbos in writing of, a Claim Against Customer, provided Customer (a) promptly gives Cerbos written notice of the Claim Against Customer, (b) gives Cerbos sole control of the defence and settlement of the Claim Against Customer (except that Cerbos may not settle any Claim Against Customer unless it unconditionally releases Customer of all liability), and (c) gives Cerbos all reasonable assistance, at Cerbos's expense. If Cerbos receives information about an infringement or misappropriation claim related to a Subscription Service or Proprietary Software, Cerbos may in its discretion and at no cost to Customer (i) modify the Services or Proprietary Software so that they are no longer claimed to infringe or misappropriate, without breaching Cerbos's warranties under "Cerbos Warranties" above, (ii) obtain a licence for Customer's continued use of that Subscription Service or Proprietary Software in accordance with this Agreement, or (iii) terminate Customer's subscriptions for that Subscription Service or Proprietary Software upon 30 days' written notice and refund Customer any prepaid fees covering the remainder of the term of the terminated subscriptions. The above defence and indemnification obligations do not apply if (I) the allegation does not state with specificity that the Subscription Services or Proprietary Software are the basis of a Claim Against Customer; (II) a Claim Against Customer arises from the use or combination of the Subscription Services, Proprietary Software or any part thereof with software, hardware, data, or processes

not provided by Cerbos, if the Subscription Services, Proprietary Software or use thereof would not infringe without such combination; (III) a Claim Against Customer arises from Subscription Services or Proprietary Software under an Order Form for which there is no charge; or (IV) a Claim against Customer arises from a Non-Cerbos Application or Customer's breach of this Agreement, the Documentation or applicable Order Forms.

10.2 Indemnification by Customer. Customer will defend Cerbos and its Affiliates against any claim, demand, suit or proceeding made or brought against Cerbos by a non-affiliated third party (a) alleging that the combination of a Non-Cerbos Application or configuration provided by Customer and used with the Services, infringes or misappropriates such third party's intellectual property rights, or (b) arising from (i) Customer's use of the Services in an unlawful manner or in violation of the Agreement, the Documentation, or Order Form, (ii) any Customer Data or Customer's use of Customer Data with the Services, or (iii) a Non-Cerbos Application provided by Customer (each a "**Claim Against Cerbos**"), and will indemnify Cerbos from any damages, attorney fees and costs finally awarded against Cerbos as a result of, or for any amounts paid by Cerbos under a settlement approved by Customer in writing of, a Claim Against Cerbos, provided Cerbos (A) promptly gives Customer written notice of the Claim Against Cerbos, (B) gives Customer sole control of the defence and settlement of the Claim Against Cerbos (except that Customer may not settle any Claim Against Cerbos unless it unconditionally releases Cerbos of all liability), and (C) gives Customer all reasonable assistance, at Customer's expense. The above defence and indemnification obligations do not apply if a Claim Against Cerbos arises from Cerbos's breach of this Agreement, the Documentation or applicable Order Forms.

10.3 Mutual Indemnity. Each party (the "**Provider**") will defend the other party (the "**Recipient**") against any Claim made or brought against the Recipient by a third party alleging that any information, design, specification, instruction, software, data or material furnished by the Provider in the course of providing or receiving Professional Services (the "**Material**") infringes or misappropriates such third party's intellectual property rights, and will indemnify the Recipient from any damages, attorneys fees and costs finally awarded against the Recipient as a result of, or for amounts paid by Recipient under a settlement approved in writing by Provider of, any such Claim, provided that the Recipient: (a) promptly gives the Provider written notice of the Claim; (b) gives the Provider sole control of the defence and settlement of the Claim (except that the Provider may not settle any Claim unless it unconditionally releases the Recipient of all liability); and (c) gives the Provider all reasonable assistance, at the Provider's cost. The Provider will have no liability for any such Claim to the extent that (i) it arises from specifications or other Material provided by the other party, or (ii) such claim is based on the Recipient's use of a superseded or altered version of Material if infringement or misappropriation would have been avoided by the use of a subsequent or unaltered version of the Material that was provided to the Recipient. In the event that some or all of the Material is held or is reasonably believed by the Provider to infringe or misappropriate, the Provider may in its discretion and at no cost to the Recipient (A) modify or replace the Material so it is no longer claimed to infringe or misappropriate, (B) obtain a licence for the Recipient's continued use of the Material in accordance with this Agreement, or (C) require return of the affected Material and all rights thereto from the Recipient. If the Provider exercises option (C), either party may terminate the relevant Order Form upon 10 days' written notice given within 30 days after the Provider's exercise of such option, subject to the "Payment Upon Termination" section below.

10.4 Exclusive Remedy. This "Mutual Indemnification" section states the indemnifying party's sole liability to, and the indemnified party's exclusive remedy against, the other party for any third-party claim described in this section.

11. LIMITATION OF LIABILITY

11.1 Limitation of Liability. Subject to the "Exclusion of Consequential and Related Damages" and "Limitation of Restrictions" sections below, in no event shall the aggregate liability of each party together with all of its Affiliates arising out of or related to this Agreement (whether in contract or tort or under any other theory of liability) exceed the total amount paid by Customer and its Affiliates hereunder in the twelve (12) months preceding the first incident out of which the liability arose. The foregoing limitation will not limit Customer's and its Affiliates' payment obligations under the "Fees and Payment" section above.

11.2 Exclusion of Consequential and Related Damages. Subject to the "Limitation of Restrictions" section below, in no event shall either party or its Affiliates have any liability to the other party or its Affiliates under or in relation to this Agreement whether in contract, tort or under any other theory of liability for:

- a) any financial damages as a result of loss or damage to property, economic loss, cost of replacement services, loss of profits, loss of revenue, loss of orders, loss of goodwill, and/or loss resulting from damage to image or reputation in each case whether direct or indirect, or
- b) any indirect or consequential loss or damage arising from or related to this Agreement,

howsoever caused and whether or not such losses are foreseeable, even if that party or its Affiliate has been advised (or is otherwise aware) of the possibility of such losses in advance.

11.3 Limitation of Restrictions. Nothing in this "Limitation of Liability" section shall exclude or limit the liability of either party

or its Affiliates for death or personal injury caused by that party's or its Affiliates' negligence or for fraud or fraudulent misrepresentation or for any other liability to the extent that the same may not be excluded or limited as a matter of applicable law.

12. TERM AND TERMINATION

12.1 Term of Agreement. This Agreement commences on the date Customer first accepts it and continues until all Services hereunder have expired or have been performed or terminated.

12.2 Term of Purchased Subscriptions. The term of each subscription shall be as specified in the applicable Order Form. Except as otherwise specified in an Order Form, subscriptions will automatically renew for additional one-year terms, unless either party gives the other a written notice (email acceptable) at least 90 days before the end of the relevant subscription term. Except as expressly provided in the applicable Order Form, renewal of promotional or one-time priced subscriptions will be at Cerbos's applicable list price in effect at the time of the applicable renewal. Notwithstanding anything to the contrary, any renewal in which subscription volume or subscription length for any Services has decreased from the prior term will result in re-pricing at renewal without regard to the prior term's per-unit pricing.

12.3 Termination. A party may terminate this Agreement for cause (i) upon 30 days written notice to the other party of a material breach if such breach remains uncured at the expiration of such period, or (ii) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

12.4 Refund or Payment upon Termination. If this Agreement is terminated by Customer in accordance with the "Termination" section above, Cerbos will refund Customer any prepaid fees covering the remainder of the term of all Order Forms after the effective date of termination. If this Agreement is terminated by Cerbos in accordance with the "Termination" section above, Customer will pay any unpaid fees covering the remainder of the term of all Order Forms to the extent permitted by applicable law. In no event will termination relieve Customer of its obligation to pay any fees payable to Cerbos for the period prior to the effective date of termination.

12.5 Surviving Provisions. The sections titled "Trial Usage," "Fees and Payment," "Proprietary Rights and Licences," "Confidentiality," "Disclaimers," "Mutual Indemnification," "Limitation of Liability," "Refund or Payment upon Termination," "Removal of Non-Cerbos Applications," "Surviving Provisions" and "General Provisions" will survive any termination or expiration of this Agreement, and the section titled "Protection of Customer Data" will survive any termination or expiration of this Agreement for so long as Cerbos retains possession of Customer Data.

13. GENERAL PROVISIONS

13.1 Right to Update Agreement. Cerbos reserves the right to update this Agreement from time to time. Cerbos will publish the updated Agreement on Cerbos website. Cerbos shall notify Customer of the updated Agreement, including by referencing the current version of the Agreement when Cerbos invoices Customer. The updated Agreement will become binding on Customer upon the earlier of (a) 10th business day after Customer becoming aware of the updated Agreement as published on Cerbos website or (b) 10th business day after receiving notification of the updated Agreement. Customer's continued use of the Services following the publication and the notification of the updated Agreement shall constitute Customer's acceptance of the updated Agreement. If Customer does not accept the updated Agreement, Customer must notify Cerbos within 10 business days of becoming aware or being notified whichever is sooner, then the update shall not take place until the Customer's next purchase of additional Services or the renewal of the Purchased Services.

13.2 Innovation. Customer recognises that Cerbos always seeks to innovate and find ways to improve the Services with new features and functions. Customer agrees that Cerbos may therefore change the Services (i) without notice provided such changes do not materially adversely affect the nature or quality of the Services or (ii) on written notice to Customer where such changes will materially adversely affect the nature or quality of the Services, provided that Customer shall have the right to terminate the Agreement on giving written notice to Supplier not more than one (1) month following any such change taking effect. Cerbos will refund Customer any prepaid fees covering the remainder of the term of all Order Forms after the effective date of termination.

13.3 Export Compliance. The Services, other Cerbos technology, and derivatives thereof may be subject to export laws and regulations of the United Kingdom and other jurisdictions. Cerbos and Customer each represent that it is not on any U.K. Sanction list.

13.4 Anti-Corruption. Neither party has received or been offered any illegal or improper bribe, kickback, payment, gift, or thing of value from an employee or agent of the other party in connection with this Agreement. Reasonable gifts and entertainment provided in the ordinary course of business do not violate the above restriction.

13.5 Entire Agreement and Order of Precedence. This Agreement is the entire agreement between Cerbos and Customer

regarding Customer's use of Services and supersedes all prior and contemporaneous agreements, proposals or representations, written or oral, concerning its subject matter. No representation, undertaking or promise shall be taken to have been given or be implied from anything said or written in negotiations between the parties prior to this Agreement except as expressly stated in this Agreement. Neither party shall have any remedy in respect of any untrue statement made by the other upon which that party relied on in entering this Agreement (unless such untrue statement was made fraudulently) and that party's only remedies shall be for breach of contract as provided in this Agreement. The parties agree that any term or condition stated in a Customer purchase order or in any other Customer order documentation (excluding Order Forms) is void. In the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) the applicable Order Form, (2) Addenda to this Agreement including Product Addendum and Data Processing Addendum, (3) this Agreement, and (4) the Documentation. Titles and headings of sections of this Agreement are for convenience only and shall not affect the construction of any provision of this Agreement.

- 13.6 Relationship of the Parties.** The parties are independent contractors. This Agreement does not create a partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties. Each party will be solely responsible for payment of all compensation owed to its employees, as well as all employment-related taxes.
- 13.7 Third-Party Beneficiaries.** There are no third-party beneficiaries under this Agreement.
- 13.8 Waiver.** No failure or delay by either party in exercising any right under this Agreement will constitute a waiver of that right.
- 13.9 Severability.** If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, the provision will be deemed null and void, and the remaining provisions of this Agreement will remain in effect.
- 13.10 Assignment.** Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the other party's prior written consent (not to be unreasonably withheld); provided, however, either party may assign this Agreement in its entirety (including all Order Forms), without the other party's consent to its Affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. Notwithstanding the foregoing, (a) if a party is acquired by, sells substantially all of its assets to, or undergoes a change of control in favor of a direct competitor of the other party, then such other party may terminate this Agreement upon written notice. In the event of such a termination, Cerbos will refund Customer any prepaid fees covering the remainder of the term of all subscriptions for the period after the effective date of such termination. Subject to the foregoing, this Agreement will bind and inure to the benefit of the parties, their respective successors and permitted assigns.
- 13.11 Notices.** Except as otherwise specified in this Agreement, all notices related to this Agreement will be in writing and will be effective upon (a) personal delivery, (b) the second business day after mailing, or (c) except for notices of termination or an indemnifiable claim ("**Legal Notices**"), the day of sending by email. Notices to Cerbos will be addressed to the attention of Legal team to Cerbos's registered address, e-mail: [...]; or as updated by Cerbos via written notice to Customer. Billing-related notices to Customer will be addressed to the relevant billing contact designated by Customer, and Legal Notices to Customer will be addressed to Customer and be clearly identifiable as Legal Notices. All other notices to Customer will be addressed to a system administrator of the relevant Services designated by Customer.
- 13.12 Governing Law and Venue.** This Agreement, and any disputes arising out of or related hereto, will be governed exclusively by the laws of England and Wales, the courts located in London, United Kingdom, will have exclusive jurisdiction over any dispute relating to this Agreement, and each party consents to the exclusive jurisdiction of those courts.
- 13.13 Attachments.** The following exhibits are attached to the Agreement:
- Exhibit A - Service Level Agreement - Cerbos Hub

EXHIBIT A

SERVICE LEVEL AGREEMENT

Cerbos Hub

1. APPLICABILITY.

This Service Level Agreement (“**SLA**”) sets forth the service level terms and conditions for the Subscription Services provided by Cerbos branded as “Cerbos Hub” (the “**SLA Services**”) as provided under the Master Services Agreement (“**Agreement**”) to which this SLA is attached. If there is any conflict between the terms and conditions of this SLA and the provisions of the Agreement, the provisions of this SLA shall prevail.

2. UPTIME COMMITMENT

2.1. **Availability.** SLA Services shall be available for at least 99 % of the time (i.e., 24 hours a day, seven days a week) computed over a calendar quarter (the “**Uptime Commitment**”).

2.2. **Exclusions.** Specifically excluded from the calculation of the Uptime Commitment are:

- a) planned downtime, including any scheduled maintenance (of which Cerbos shall give at least 24 hours’ advance electronic notice),
- b) any unavailability caused by circumstances beyond Cerbos’s reasonable control, including, for example, an act of God, act of government, flood, fire, earthquake, civil unrest, act of terror, strike or other labor problem (other than one involving Cerbos employees), denial of service attack, internet service provider failure or delay, or
- c) downtime caused by Customer’s use of SLA Services (i) in breach of the Agreement, or Documentation, where applicable, or (ii) in connection with the software, hardware or equipment of third parties.

2.3. **Remedies.** If Cerbos fails to meet the Uptime Commitment, and Customer notifies Cerbos thereof within 15 days as of the end of the applicable calendar quarter, Customer will be eligible to receive a credit (“**Service Credit**”) calculated as a percentage of the quarterly amount of the SLA Services Fee as follows:

Actual availability of the SLA Services	Service Credit <i>(% of the quarterly amount of the SLA Services Fee)</i>
99% - 98.5%	5%
98.5% - 98%	10%
98% - 97.5%	15%
97.5% - 97%	20%
Below 97%	25%

The applicable Service Credit to which Customer becomes eligible will be applied as a deduction of the amount due from Customer to Cerbos for charges for the affected Subscription Service in the next invoice. Additionally, if Cerbos breaches the Uptime Commitment in two consecutive calendar quarters or the availability is below 80% in one calendar quarter, Customer has a right to terminate the Agreement upon a written notification delivered to Cerbos within 15 days as of the end of the calendar quarter, and get a refund of any prepaid fees (if applicable) for the period as of the effective date of such termination. The remedies provided under this Section 2 are Customer’s sole and exclusive remedies for the breach of the Uptime Commitment.
